

APPLICATION FORM – MASTER’S PROGRAMME MEDICAL LIFE SCIENCES (MSc)

Ability assessment: Master’s Programme „Medical Life Sciences“
Kiel University, Germany

For the academic year:

2025

Programme start:

1 April 2025

Deadline for applications:

30.9.2024, midnight CET

Please fill in all fields and provide the documents requested on www.medlife.uni-kiel.de.
-> Do not add documents that are not requested, we will not consider applications that contain any other documents than the ones requested. Maximum page number permitted: 30, max. file size 5 MB. Neither do we consider incomplete applications, no notification will be sent due to high number of applications received.

1. PERSONAL INFORMATION

Last name as stated
in your passport:

First name(s) as stated
In your passport:

Date and place of birth:
(dd/mm/yyyy)

Gender (male/female/diverse):
[necessary to address you correctly]

Your contact data

Make sure you provide complete and correct information so that you can be contacted without problems.

| | |
|---|-----------------------|
| Street address, house no., apartment no. | |
| Town, province/district, ZIP code, country | |
| Your private email address | Phone landline |
| We need landline phone numbers for back-up should computer connections crash during the interview. Mobile connections are not stable enough. | Phone (mobile) |

2. UNIVERSITY DEGREES

Please state the degree/s that you already hold or will receive shortly, **name the programme(s) you earned it/them in and the final grade/s you achieved for your degree/s.**

| |
|---|
| Degree 1: Programme (e.g. Biochemistry, Biology) |
| Degree (e.g. BSc, M.Sc., M.A.) |
| Degree 2: Programme (e.g. Biochemistry, Biology) |
| Degree (e.g. BSc, M.Sc., M.A.) |

APPLICATION FORM – MASTER’S PROGRAMME MEDICAL LIFE SCIENCES (MSc)

Please attach copies of your university degree certificate/s. For documents in languages other than German, English, Dutch, Russian or Spanish, attach an official German or English translation.

At which universities have you studied so far? Please also state unfinished degree courses.

University 1

| | |
|----------------------------|--|
| Name of university | |
| Address of university | |
| Department | |
| Language of instruction | |
| Duration (mm/yyyy–mm/yyyy) | |
| Degree obtained | |

University 2

| | |
|----------------------------|--|
| Name of university | |
| Address of university | |
| Department | |
| Language of instruction | |
| Duration (mm/yyyy–mm/yyyy) | |
| Degree obtained | |

Attach a copy of your transcript/s of records listing all courses and grades of your university career. If you have been enrolled in more than one programme, whether completed or not, include the respective transcript/s. We do not consider applications without transcripts.

For transcripts in languages other than German, Russian, English, Dutch or Spanish, please attach an English translation. Note that you have to show originals/certified copies (and certified translations for non-English/non-German certificates) at the university's registration office should you be admitted to the programme.

3. ENGLISH SKILLS: Provide a realistic evaluation of your skills (they will be tested).

| Category of language skills | Number of years of high school tuition received | Level = fluent, sufficient, managing, poor <i>(indicate the respective level in the rows below)</i> |
|-------------------------------------|---|--|
| 1. Reading skills | | |
| 2. Essay writing skills | | |
| 3. Listening comprehension | | |
| 4. Spoken English | | |
| Native speaker | yes | no |
| Stays in English speaking countries | <i>Only list stays longer than 4 weeks</i> | |
| Reason: | Country: | |
| | Duration: | |

APPLICATION FORM – MASTER’S PROGRAMME MEDICAL LIFE SCIENCES (MSc)

4. VERTEBRAT/HUMAN PHYSIOLOGY

You must have sufficient **vertebrate** physiology knowledge. Plant, cell or developmental physiology are no substitutes. Provide a detailed, official course description issued by your university stating the course content (topics covered), its volume (duration, hours) and format (seminar, lecture, practicals). **A transcript entry is NOT sufficient. Without at least vertebrate physiology knowledge with official course description attached, we cannot consider your application. We do NOT accept entire module handbooks and syllabuses. Extract the relevant course description for physiology, nothing else.**

5. LAB EXPERIENCE

Please fill in the table below. Only list those methods you have applied yourself. Lab demonstrations watched do NOT count as lab experience.

| Discipline (e.g. pharmacology, microbiology, ...) | Techniques/methods practiced and carried out | Duration [dd/mm/yy-dd/mm/yy] |
|---|--|------------------------------|
| | | |
| | | |
| | | |

6. SOURCES OF INFORMATION

Please tick the appropriate box/boxes.

I learnt about Medical Life Sciences through
