

Statute on proof of practical experience or foreign language skills – 2019

13 June 2019

Published on 11 July 2019 (NBl. HS MBWK Schl.-H. p. 35), amended through the statute of 12 July 2019, published on 26 September 2019 (NBl. HS MBWK Schl.-H. p. 46)

Ruled by §39 para. 7 of the Universities Act (HSG) of 5 February 2016 (GVOBl. Schl.-H. p. 39), last amended by law of 10 February 2018 (GVOBl. Schl.-H. p.68), the following statute has been decreed by resolution of the senate of Kiel University on 5 June 2019:

§1 Proof of study qualification and responsible office

- (1) Apart from eligibility for university admission after the Universities Act and requirements for admission to Master studies defined in the examination regulations of the respective Master programmes, practical experience and foreign-language skills laid down in §3 are to be proven.
- (2) Proof has to be documented at the office responsible for crediting study and exam achievements.
- (3) The office responsible confirms that the required qualification has been documented. If practical experience or foreign-language skills have to be proven on enrolment, confirmation will be documented on a form provided by the student service office.

§2 Time of proof

Proof of the qualification listed under §3 has to be provided upon enrolment if not differently stated in §3.

§3 Required qualification

The following qualifications are required for the study programmes listed below:

[excerpt for Medical Life Sciences]

| | |
|-----------------------|---|
| Medical Life Sciences | English skills: at least level C1 of the Common European Framework of Reference for Languages |
| Master programme | The skills have to be proven by a successfully passed language test defined in §4 para. 3 of the special exam regulations Medical Life Sciences of 16 February 2021 |
